

# PRIMER FILLER PUTTY

## Qualities

- Ideal for filling imperfections, wood and other building materials
- Durable, long-lasting and smooth finish
- Fills pores

## About

Diamond Overall Primer Filler Putty is ideal for filling cracks in plaster, wood, and other building materials. It forms an ideal base to give a durable, long-lasting, and smooth finish by filling pores and imperfections of plaster, concrete, and gypsum surfaces. The product is easy to apply with an applicator and provides the finest finish for subsequent coats.
